The inauguration of the European Stop 5G Alliance will take place on Saturday, 29 June 2019 at Centro Esposizioni / Mercato coperto, Via Campo Sportivo, CH-6850 Mendrisio, Switzerland ([info@stop5gticino.ch](mailto:info@stop5gticino.ch)), 1400-1800. There will be a signing of the Alliance's constitution in the presence of Dr. Fiorella Belpoggi of the Ramazzini Institute. The room provided will be suitable for those with electrohypersensitivity.

This will be preceded by a press conference at the Italian parliament on 27 June 2019.

The purpose of the European Stop 5G Alliance is:

1. To coordinate common political action addressed to the European Parliament, the Council of Europe, the European Councils and other European bodies.
2. To coordinate communications and information-sharing to shape national public opinion and create critical mass.

Initial actions:

1. The first initiative proposed by German friends is the Right of Initiative of European Citizens-European Citizen's Initiative, for which we need 7 EU citizens residing in at least 7 different member states, and 1 million signatures respecting the minimum thresholds between 7 countries, and then giving the European Commission the power to decide.
2. Designating the first day of each month, "Disconnected Day" / European Mobile Phone and WiFi Strike Day. The first **Disconnected Day** will take place on 1 July 2019.

Representatives of the following 12 countries have already joined the Alliance:

1. Belgium
2. Finland
3. France
4. Germany
5. Greece
6. Italy
7. Netherlands
8. Poland
9. San Marino
10. Switzerland
11. Ukraine
12. United Kingdom

For those unable to attend the inauguration in Switzerland but who wish to join the European Stop 5G Alliance, please contact Maurizio Martucci at [alleanzaitalianastop5g@gmail.com](mailto:alleanzaitalianastop5g@gmail.com), giving your consent to the accession of the European Stop 5G Alliance, and stating your name, adherence and national reference.
